

## **“Panther Pride” Battalion Uniform and Discipline Policy**

1. I understand that the uniform and equipment issued to me is my sole responsibility to secure and keep clean and serviceable. I understand that a hold will be placed on my academic records should I have an outstanding debt to JROTC. I understand this uniform is property of the **Federal Government** and recognize that there are legal means the government can take to recover the losses should I not return the uniform or if it is loss, damaged or stolen. **I recognize the value of this uniform is approximately \$230.00.**
2. I recognize that **each Wednesday, I must wear the uniform to school for the entire day.** I understand that **only my JROTC instructor can excuse me in advance** if I have a legitimate reason. I agree to wear the uniform on the following Thursday should I have an approved excused absence on the uniform day. **I realize that if I fail to wear the uniform, it may result in a failing grade for the six weeks.**
3. I understand that while wearing the uniform, I must conduct myself as a lady or gentleman and display my best behavior. **I will wear the uniform properly at all times including wearing the garrison cap outdoors.** I will not partially undress from the uniform until I reach home. I recognize that improper wear or refusal to wear the uniform is grounds for having my uniform rights revoked and possible removal from the program.
4. **I will not wear the uniform to any demonstration, political rally, picket lines, court action, extremist organization meeting or any activity that would bring discredit to the U.S. Army.**
5. I recognize that **each Friday is physical training day and that I should dress appropriately (PT Uniform).** I will not wear **flip flops, high heel shoes, dresses, dress shoes** or any other clothing which could impede on my ability to participate in PT.
6. As a cadet, I realize that **both JROTC instructors and other cadets will teach me** throughout the year. I will obey their commands and perform the assigned tasks to the best of my abilities. **If a cadet gives me a command that I believe is unlawful, I will immediately notify a JROTC instructor and will not carry out the order.** I understand that **push-ups** are a form of mental and physical training used in the program for motivating cadets to reach their full potential and can only be given by the **JROTC instructors for corrective action.**
7. I realize that my JROTC **grade is influenced by** many factors including **wearing of the uniform, participation and academic tests.** I will refer to the cadet handbook for more details on this topic.
